RE: **Statewide Long-Range Transportation Plan**

In January 2012, the Transportation Commission formally initiated, via resolution, the development of the Statewide Long-Range Transportation Plan (SWLRTP). DTD Multimodal Planning Branch has made great progress in developing foundational information and work products that will guide full Plan development.

Attached for informational purposes are the following:

- SWLRTP Update – This 2 page document provides an update on key elements and planning related activities.
Please refer to Attachment A.
- SWLRTP Key Milestone Schedule - A schedule depicting key milestones and associated timelines has been prepared. Please note that this schedule does not include all the activities associated with Plan development.
Please see Attachment B.
- Key Elements of the SWLRTP – A graphic illustrating key focus areas and elements of Plan has been developed. Also illustrated are the relationships and interdependencies of certain elements.
Please see Attachment C.

As progress continues to be made, we will provide you with updated information.

Thank you.
